Your generosity means so much to us. On April 29, 2012, the Peace United Methodist Youth Group is holding our annual dinner and auction. This event will raise funds to allow our youth to attend summer Christian camps and other events throughout the year. These camps provide a fun way to teach discipline, Christian beliefs and values, and the importance of mission work. Registration for camp ranges from \$200 to \$400. Our goal is to raise enough money to send all of our youth to camp. (Funds from our 2011 auction sent 26 kids to camp and other events!!)

Your donation of an item, service, or gift certificate will be used to create a themed basket to be auctioned off. You may donate an entire basket or a single item. With every donation you are not only supporting future adults, but also receiving recognition for your business. Your business logo, name and/or contact information will be included:

1. In our event program
2. In our pre worship service PowerPoint slide show
3. On our website (link to your site included)
4. On placemats at the event

Please join us in modeling our future Christian leaders and helping them to make the right decisions when faced with so many negative influences.

Thank you so much for your donation. Please feel free to join us for this event as well!

May God continue to bless you,
Peace United Methodist Youth Group
